

WEB DEVELOPMENT INTERNSHIP

AGV Sport web development internship positions are available for a dynamic sports apparel company. Add to your existing skills, create, develop, and post actual web work. Projects and goals will be set and a game plan will be established to help interns achieve and surpass goals. We offer the latest version of most graphic arts software such as Macromedia Dreamweaver, Fireworks, and Flash, Adobe Photoshop, Adobe Illustrator, Quark, and many more.

Length

The position is open for as long as the student would like, but with a minimum of three months. Flexible programs from 12-35 hours per week.

Qualifications

Ideal for college students or recent graduates wishing to add real world experience to their educational credentials. Must have at least basic computer skills. Experience with internet and multimedia are a plus. International students welcome.

The company provides international students with free housing.

Credit

Student interns will have an opportunity to receive college credit. Contact your undergraduate advising office for more information on academic credit.

Apply

Students wishing to apply for the internship should e-mail resumes to interns@agvsport.com or mail resumes to AGV Sport Intern Program P.O. Box 378, Buckeystown, MD 21717. For more information, please call 1.800.777.7006.

New positions available from June!
