Workshop

Novel Approaches for Skin Health

University of Ferrara, Ferrara
Via Luigi Borsari, 46
Aula E3

Department of Chemical, Pharmaceutical and Agricultural Sciences
Department of Life Sciences and Rehabilitation
Department of Translational Medicine and for Romagna
Department of Environmental and Prevention Sciences

This event will be addressed to young researchers sharing their ongoing works. Oral presentations and posters will provide an inter and multi-disciplinary perspective, focusing on the new strategies in the treatment of skin disorders and pathologies, considering both pharmaceutical and dermocosmetic approaches. Attendance is open to all, and strongly encouraged for PhD's and Master's students.

Organising and Scientific Committee:

Elisabetta Esposito, Mascia Benedusi, Paola Secchiero, Giuseppe Valacchi.
