She Loves You

[L'assenza di una sezione B con funzione di *bridge*, che caratterizza questa canzone, rimanda alla forma *verse/chorus* («strofa/ritornello»). Indipendentemente da ciò, tuttavia, in un caso come questo il *pre-refrain* è divenuto un vero e proprio *pre-chorus*, e ha acquistato lo *status* di componente formale autonoma: può infatti presentarsi anche svincolato dal *chorus*, come avviene qui dopo il primo *verse*].

She loves you, yeah, yeah, yeah

She loves you, yeah, yeah, yeah   Intro (≈Chorus)

She loves you, yeah, yeah, yeah

You think you've lost your love

Well, I saw her yesterday

It's you she's thinking of   Verse

And she told me what to say

She says she loves you

And you know that can't be bad

Yes, she loves you   Prechorus

And you know you should be glad

She said you hurt her so

She almost lost her mind

And now she says she knows   Verse

You're not the hurting kind

She says she loves you

And you know that can't be bad

Yes, she loves you   Prechorus

And you know you should be glad

She loves you, yeah, yeah, yeah

She loves you, yeah, yeah, yeah

With a love like that   Chorus

You know you should be glad

You know it's up to you

I think it's only fair

   Pride can hurt you too

Apologize to her

Verse

   Because she loves you

And you know that can't be bad

   Yes, she loves you

And you know you should be glad

Prechorus

   She loves you, yeah, yeah, yeah

She loves you, yeah, yeah, yeah

With a love like that

You know you should be glad

etc.
