

# YUNAP Graduate Programme TECHNOLOGY

---

INNOVATION | E-COMMERCE | AGILE TEAM *A Career that suits you*

---

## JOIN OUR GRADUATE PROGRAMME!

### Innovation is in our DNA

YOOX NET –A – PORTER GROUP is more than just fashion and we have always been pioneers in the research and development of new technology solutions, to ensure an excellent online shopping experience to our customers

---

Join our Technology YOOX NET –A – PORTER Graduate Programme and you'll gain professional experience in back-end, front-end & mobile development. Over the course of a 12 months fix- term contract, you'll gain a broad and comprehensive understanding of all our agile team strategies and you'll have fun working in an inspiring and innovative environment

## PROGRAMME HIGHLIGHTS

### 12 MONTHS

#### **12 MONTHS** WORK PLACEMENT

with a balanced mix of on the job, training, tutor led assignments, hands-on activities and following a development path contributing to the enhancement of our technology platform.

+ *PERFORMANCE EVALUATION*

Upon successfully completing the graduate programme, you'll be assigned to a role in one of our agile teams and you'll follow the technology career path.

### PERFORMANCE EVALUATION

YOOX will provide you with constant feedback throughout the duration of the programme. A tutor will assist and help you to develop the required professional and technical skills to be successful in our technology department.

### PROGRAMME START DATE SEPTEMBER 2017
